As long as one can never tell what the future is going to bring forth, it is a mighty wise thing to be partially prepared, at least, for almost everything.

No matter what other preparation is made, financial preparedness should be an essential. And to be financially prepared — for worst or best — one must start early.

Therefore — "Start Saving NOW!"

NOEL DEER LEAVES ON MARCH 1 TO TAKE OVER NEW WORK IN CUBA

Noel Deer, sugar technologist at the experimental station of the Hawaiian Sugar Planters' Association, will leave on March 7 by the liner Sierra for Cuba, to enter into the employ of the government in technological work. Deer left the employ of the association today. His splendid work here is reported, attracting the attention of the Cuban department of agriculture, and a generous offer was made to him to carry on his work and the analyses of the Cuban government, which offer he has accepted. He said this morning that he would be almost direct to Cuba.
